

# COMPREHENSIVE REHAB

## TO GET YOU “BACK IN THE SADDLE”

With the area’s most comprehensive outpatient rehabilitation center, Ennis Regional Medical Center can help you recover and reach your goals.

Just ask local Ennis resident and world champion barrel racer Mary Walker. She didn’t know if she’d ever ride again – much less compete after suffering severe injuries during a competition two years ago. Following her surgery to repair a crushed pelvis, two fractured vertebrae, and two broken toes, Mary attended physical therapy at Ennis Regional Medical Center’s Rehabilitation Clinic.

The highly-trained physical therapists and occupational therapists focused on Mary’s capabilities rather than disability to put her back in the saddle and on the trail to recovery and independence. Ennis Regional Medical Center congratulates Mary’s season title win at the 2012 National Finals Rodeo in Las Vegas.
